***Response to Amendment***

This office action is in response to the amendment filed on July 25, 2005.

The terminal disclaimer filed on 07/25/2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,654,747 and U.S. Patent No. 5,966,707 as been reviewed and is accepted. The terminal disclaimer has been recorded.

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Sawyer Jr. on December 23, 2005.

**Amended Claim 7** as following:

The method of claim [3] 4-2 wherein utilizing the library control functions further comprises utilizing the library control functions to control access to a workflow document.

***Allowable Subject Matter***

Claims 2, 7-10, 12, 17-20, 22, 26-29 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Claims 2, 12 and 22, are allowable because the prior art on record or that encountered in searching for the invention, fails to disclose or suggest the features of instant invention – defining a library checkout function in a database management system for locking a managed database table including creating a set of editing triggers that corresponds to the checkout function for supporting the accessing of complex data object with opaque data types by utilizing the library control functions via structure query commands to designate a primary key as the editing control mechanism for a checked-out cell until an update occurs by a user such that to ensure the data integrity during accessing the complex data objects and allows update and edit control over an extended time period for the database system in a combination as claimed by applicant.

Claims 7-10, 17-20 and 26-29 are respectively depend on claims 2, 12 and 22 therefore are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan Y. Chen whose telephone number is 571-272-4016. The examiner can normally be reached on Monday - Friday from 7:00-4:30.
